

Ya habib Allah (God's lover)

Written & composed by : Rebal Alkhodari

The people blamed her because she married a man from a different religion. They said:

"Maybe she's crazy

Maybe the alienation changed her!

Maybe the guy bribed her with jewelry!

She became old and demented

People shouldn't do that"

....

My god's lover ...

I will forget everything they said ..

I lived many years as they wished and

now it is my time to decide.

You are the one who will stay with me ..

with my heart,

No matter what they say ..

....

My God's lover ...

.....

Oh People .. Leave me with him

Give me his Love ..

.....

My god's lover ...

I will forget everything they said ..

I lived many years as they wished and

now it is my time to decide.

يا حبيب الله

كلمات وموسيقى : ريبال الخضري

لاموني الناس وقالوا

جن جنونا.. طق فيوز الراس

عالغربة تغير لونا .. شنشلوا ديها

بدهب ولولو وماس

من بعد الكبرة جبة حمرا

مش هيك ولاد الناس

.....

يا حبيب الله ..

رح انسى كل شي اتقال او ما اتقال

رح انسى كل شي صار

يا حبيب الله ..

عشت سنين على زوقن

صار لازم اني انا اختار

يا حبيب الله

انت الي باقي لحياتي عمري سنين

طرز بكلام الناس

يا حبيب الله ...

.....

خلوني .. خلوني .. خلوني معاه

وعطوني .. وعطوني .. وعطوني هواه

.....

يا حبيب الله ..

رح انسى كل شي صار رح انسى كل شي اتقال او ما اتقال

يا حبيب الله .. عشت سنين على زوقن

صار لازم اني انا اختار

You are the one who will stay with me ..

with my heart,

No matter what they say.

**(This should be sang in ENGLISH by GUEST
FEMALE SINGER)**

Everybody talks about me

Not one of them will accept me

When you find the love just go with it

Don't think twice or resisit the feeling

I wanna live the life that I want

With the person I really want

No matter if he is White or Black

No matter if he is Ahmad or Jack

Life will never ever wait for me

And I have no plans to wait for her

All my life I was accepting everyone

I need to gat the same as well from everyone

Just be Hamble and shut your mouth

I don't care if you see me like your mom

You need to forget all the shit you know

You need to respect my life or you should go
