

Before the Dawn

Intro: Cmaj7 D6

V1:

We woke up before the dawn
He said, "take a walk with me,"
So out under the starry skies with no other soul in sight
We walked along,
We walked along the empty mountain road
We sang a song.
We sang a song / only our hearts could sing

E2 D6

you're here with me now
There's no more sorrow, no more

We spoke of many things,
Of our passions and our dreams
and things that have yet to be seen - we know they'll come to pass -
He held on,
He held onto my shoulders
We're moving on
seems like we're moving on / leaving the past behind

E2 D6

We're in a new space in time
where love say "seek and
you shall find..."

Cmaj7
"peace", peace

V3: We spoke of many things
My father and I
of love and forgiveness
As the sun lit up the sky

These are the things that matter most at the end of the road
