

Your Love

Verse 1

*Everybody's looking for that somethin'
They say it's impossible to find
Me I wasn't looking for nothin'
When I realized that you're one of a kind*

Chorus

*Your love is like a cool breeze
On a summer day
A ray of light
When the skies are gray
Could be a thousand miles apart
But you'd still take my breath away
Your love is like a warm embrace
When I'm feeling blue
Fresh flowers
Just because you wanted to
Fall for you more and more
With everything you do
That's what your love is like to me*

Verse 2

*I'd fly around the world a thousand times for you
By your side is where I'd rather be
Just tell me where you are and I'll be there soon
'Cause wherever you are feels like home to me*
