

# Hotel Transit

Lyrics: Georg Kroneis

Compose: Rebal Alkhodari

I might stay another day  
at Hotel Transit.  
For now, my favorite place to be:  
Kuala Lumpur Airport  
Gate A one, row four, seat C.

Welcome home to Hotel Transit  
limbo area is free!  
So, your passport just expired?  
Well, sit down right next to me.

-----  
Got my bag upon arrival  
Check-out status: incomplete. „They  
make it hard to say goodbye“, man!  
No demands are left to meet.

Found a ticket due tomorrow,  
check-in online as we speak  
time is lost here every sec, ar-  
rival's board is pretty bleak:

Flight delayed... for another generation.  
On behalf of bureaucracy  
please excuse this inconvenience!  
Have a pleasant stay for free.

„Sometimes it is better to run into the storm than  
take shelter in retiring

Star alliances have failed me.  
Get acquaintance non-conform!

-----  
Come on, let's go to Singapore or Stockholm,  
Shanghai, Sydney, or Seoul,  
boarding through the Gate of heaven  
heading down to the South Pole.

Drop by Beijing, Prague or Boston  
visit Beirut, see Berlin. App-  
ly for NASA's next Mars mission  
find a place no one has been.

Meet for breakfast up in Norway  
lunch in Oslo or in Bonn?  
Since I missed the flight to London  
Stay at terminal B one.

Make a detour via Hong Kong  
See you later then, in Seoul,  
dinner canceled, tweet deleted,  
Hotel Transit, that's the goal.

-----  
You can leave by train, bus, taxi  
Destination? Fantasy!  
On an airplane named „desire“  
aimed for Canada: Set free!  
Via Shanghai to Vancouver  
final moment and last call
